

Wednesday Training Table Sign-up Rules

- 1) There will be four time slots each Wednesday night. Three slots will be 45 minutes long. The last slot will be one hour long.
- 2) Players sign up for one training time slot at a time.
- 3) If two people train together (typical) then both players are considered signed up.
- 4) A player cannot be signed up for more than one slot at a time. You must finish using your first slot before you may sign up for another slot. In other words, your name cannot be on the list at the same time more than once. You can, however sign up for another time slot immediately immediately at the end of your training time slot.
- 5) The sign up list will be kept on the club Bulletin Board and online on a Google Calendar.
- 6) You can manually sign up on the Bulletin Board list or by emailing to **phxttclub@gmail.com**
- 7) Sign up will be on a first come, first served basis with priority given to players signing up at the club during club hours. Aside from signing up at the club taking priority, signing up via email will be based on the time the emails were received.
- 8) If players are more than 10 minutes late for their reserved time, the table reverts to open play until the next reserved time slot for that evening.
- 9) If players repeatedly reserve time slots and don't show up on time to use them they may lose Training Table privileges.
- 10) Players should start wrapping up their training about five minutes before the end of their time slot so that they can leave promptly for players waiting for the next time slot.
- 11) Jay will oversee and maintain both lists and resolve conflicts.
- 12) This program is experimental. We will see how well this works and consider everything from minor tweaks to wholesale changes depending on how well or poorly this works.
